

Introducing  
**SilverHawk™ ES+ & SS+**

Effortless control.

Effortless control.

# SilverHawk™ ES+ & SS+

It's all about control. The new ES+ and SS+ incorporate new features that enhance overall performance.

### Torque Shaft

Torque shaft changes for reliable torque control.

### Asymmetric Housing

Radiopaque directional marker to discern anterior and posterior positioning.

### Nosecone

Triple vent holes enable more fluid movement for tissue flushing.
